About the place

Meghalaya is a picturesque state in the northeastern region of India, known for its breathtaking landscapes, lush greenery, and rich cultural heritage. The name "Meghalaya" means "**abode of clouds**" in Sanskrit, which perfectly reflects its misty hills and frequent rainfall. The state is home to three major indigenous tribes – the Khasi, Jaintia, and Garo – each with distinct traditions, languages, and festivals.

Meghalaya boasts some of the **world's highest rainfall**, especially in places like Cherrapunji and Mawsynram. The region is famous for its natural wonders, including **cascading waterfalls**, **deep limestone caves**, **crystal-clear rivers**, and **unique living root bridges** made from intertwined tree roots. The capital city, Shillong, often called the "Scotland of the East," offers a blend of colonial charm, music, and vibrant local life.

Overall, **Meghalaya is a land of natural beauty**, cultural richness, and ecological diversity, making it a fascinating destination for nature lovers and explorers.

The overall winter Kashmir experience with trip on trail was amazing. Kudos to our team captain faisal bhai, He was so humble, chill and supportive throughout the journey and also guided us regarding the price at different spots. The vehicle (force urbania) provided to us was very comfortable. Thank you trip on trail to arrange such a beautiful trip ❤️❤️

I recently went on a trip to Spiti Valley with Trip on Trail, and it was an absolutely unforgettable experience! They took care of everything from transportation and accomodation to providing us with knowledgeable guides.

I felt completely safe throughout the entire journey, which was one of my biggest concerns before booking.

I would highly recommend (Trip on Trail) to anyone. They made my trip memorable and I 'll definitely be booking future trips with them!

Had a recent trip with trip on trail and believe me it was one of my best trip. The trip to Manali - Kasol - Kheerganga was very well executed and we had too much fun during the trip. The stays were cool and the trip was supercool.

Our trip leader Faisal and Ezhan were also very amazing persons and made our trip too convenient and amazing through their experience. I believe everyone should try this underrated company as they didn't get many reviews till yet but they have a great potential to become a large company soon. Every penny spent on the trip was worth it.

Here are some of the Memories captured on the trip.
