Had a recent trip with trip on trail and believe me it was one of my best trip. The trip to Manali - Kasol - Kheerganga was very well executed and we had too much fun during the trip. The stays were cool and the trip was supercool.

Our trip leader Faisal and Ezhan were also very amazing persons and made our trip too convenient and amazing through their experience. I believe everyone should try this underrated company as they didn't get many reviews till yet but they have a great potential to become a large company soon. Every penny spent on the trip was worth it.

Here are some of the Memories captured on the trip.
